Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 21 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear intervals this evening. Becoming drier on Sunday.

This Evening and Tonight:
Daytime showers begin to ease, leaving clear intervals for the evening, with the odd heavy shower for some central and eastern parts. Overnight, dry with clear spells. Overall, feeling muggy with light winds. Minimum temperature 14 deg C (57 deg F).

Sunday:
A much drier day than yesterday, however low risk of showers in eastern parts. Otherwise, plenty of sunny spells are expected, particularly through the afternoon. Feeling warmer. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
A settled spell of weather to start the new week. Mainly dry with sunny spells, but the chance of an isolated light shower at first. Turning warmer.
